

Calvary Baptist Church Newsletter February 2019

Well, we complained when it was dry and hot and now it's the cold and too much water. Sounds a lot like the Israelites when they were on the way to the Promised Land. The Exodus study has been very interesting. I've learned so much myself from preparing for it on Wednesday nights.

The church is well into the Team Ministry approach to Church Leadership. It may help us all to step back and think about what Team Ministry means. Some of have been watching the football teams playing for the prize of the Super Bowl. The teams that have made it to this final event are great examples of Team Ministry. Each player knows his position well, but plays that position in concert with the rest of the Team. Team ministry in the church is no different. When a Ministry Team functions well, it will have a lot of different positions(gifts), but each person working to accomplish the Team's ministry.

The Team needs to Practice to become good at its Ministry. This means when you choose to work on a Team, you will want to meet and gets things done in the Lord's name.

The Leadership/Stewardship Team is working well, but needs the other Teams meeting and helping the Church family to move forward. The Teams are responsible for Budgeting, Planning and Leading in their Team areas.

A number of folks have not bought into being a part of a Team. Current Team members should be exited enough about their particular Team to start inviting uninvolved people into their Team process. It's a lot like having a local sports Team. You like the game and want others to come play on your Team.

Some of the Teams need to select a Team leader to make the process function more smoothly. Currently the Transition Team members have volunteered to lead these Teams, but want very much to get the Intentional Process completed. Pray about which Team you would like to serve and let the current leadership know of your interest and let's go for the Super Bowl of church's in Team Ministry.

Several events are coming up that will be a great help to many:

February 28 - April 25 - Financial Peace University. This is not a get rich training event. It is a Biblical based financial training event that can help people get out of DEBT, MANAGE resources and become a more generous giver with their wealth. Some have asked if this would be good for older, retired folks. The answer comes in two forms,

1. Help preserve what you have to be able to be more generous with what God has given you.
2. Inform you of what FPU can do for others you know, so you can invite them to future FPU training events.

YES, everyone will receive value from the course.

March 2 -- Conversational training in how to talk to others about Jesus. Don Sonshine will be here from 9 A.M. - 2 P.M. to lead in the training. Talk to Stacy/Brenda Graham or Teresa/Alexis Epperly for more info on the content of this training. They have attended Don's training.

Continue praying for your Pastor/Search Team. They are getting close in their interviews. They need your prayers to discern God's will for the person to bring to you for consideration.

WATCH OUT!

Criminals are constantly working to come up with new, sophisticated ways to steal your personal information for their gain. Most recently, we have seen an increase in fraudsters calling consumers, pretending to be from a debit card company, and requesting personal information over the phone. Remember, you should never give out your personal information over the phone. When in doubt, hang up and call your financial institution directly using a known number. Also, never return calls from phone numbers that have been left on your voicemail requesting personal information.

~Women's Bible Study~

The Women's Bible Study will be meeting on Thursday, February, 7th at 10:00 a.m. at the church for Bible Study. We will be beginning a new study with David Jeremiah's book, "Overcomer". In this book, Dr. David Jeremiah explores the armor of God in Ephesians 6:10-18 and provides practical ways for believers to equip each piece and persevere from a place of victory in Christ! Come join us for this study as we discover God's commands to overcome the forces of evil by putting on the armor of God and lay out a pathway for spiritual victory!
