

Calvary Baptist Church Newsletter June 2019

So far this has been a very eventful year. I can wait to see what happens next.

Consider all that you have accomplished:

Power outage on Easter Sunday and still had a great worship experience.

Started renovating the Kitchen.

Sending Youth on Impact Mission Camp in June.

Voted to bring a 53 foot refrigerated trailer in and convert it to a 26 bed "Bunk Trailer" for Disaster Response. I'm sure some thought this was the craziest idea in the world. Well, you would not be alone. You have made believers all the way to Richmond and beyond. This will be moved to Jones County, NC to house volunteers who are re-building homes destroyed by flooding.

Completed one cycle of a Pastor Search process. This was a real learning curve since Calvary has never gone through the complete process before. God has someone out there for you. Just pray for discernment and wait on the Lord.

The Team process is in place, but needs more people involved in each Team. Consider your gift and get involved on a Team that has your gift as a place of service to the Lord through His church.

You are still providing needed food for families in the area who come up short on money for food.

You hosted a witness training event with Don Sunshine.

You hosted a Financial Peace University with a good number attending.

Wow!!! I'm sure I've left some things out.

You are doing a lot of things that reach out to the community. We need to begin to focus on reaching the lost for Jesus Christ. Maybe think about setting up a time to visit families who have visited or even some who have not visited and introduce them to Jesus through a casual conversation. We can do that every day when we choose to be on Mission for Christ daily. That means there would be no need for another meeting to go visiting, just reach our neighbors daily.

It's a joy to be around you folks. I'm praying for your new pastor, whoever he is and hoping for a wonder union of congregation and Pastor.

Blessings, Dan

WATCH

Watch out for people calling saying you have won money or requesting you send them money. They are telling people to go buy gift cards, money orders or send it by Western Union. They also asked for access to your online banking, once they get access to your online banking they are moving money to

1. Make you think they deposited money in your account but really only moved money you already had from one account to another or
 2. Take money and move it out of an account to another to make it look like they are taking your money. This is all a scare tactic to get you to do as they ask. These people are calling and harassing and threatening people to scare them into sending the money. If you receive one of these calls, hang up on them and don't give them any information. They will continue to call and threaten to harm you or a family member possibly even saying they will show up at your house. If you have caller ID watch the number calling do not answer the phone. If you get one of these calls, call your local police department and report it. The phone number they are using so far is the same number they continue to call from.
- Please do not fall victim to these scammers. If you have questions please feel free to reach out to me anytime.
