Dear Parents:

Thank you for your interest in the preschool program at Calvary Baptist Church. Our preschool program is an outreach ministry of the church, serving children from both the church and community. We strive to be an extension of your family, giving the children the loving care and guidance that they need in their formative years.

Our preschool is dedicated to meeting the needs of the whole child: spiritually, emotionally, socially, physically, and mentally. Teachers plan daily individual and group activities to facilitate this goal, which include both organized and free choice experiences. Building a positive self-esteem and refining socialization skills are an important part of our overall program.

The staff strives to provide a relaxed learning atmosphere. Our philosophy is geared toward helping each child grow into a responsible, mature Christian adult. In our program we expose children to different learning situations. In the course of a day, the children may experience the following activities: arts and crafts, praise and worship/hymns and songs, finger plays, show and tell, science, phonics, alphabet, visual and sequential concepts, puzzles, manipulatives, play dough, blocks, housekeeping corner, musical instruments, nursery rhymes, manners, and the reading of books. Gross motor skills are enhanced by utilizing the children's playground area.

To enroll your child for the 2012-2013 school year, carefully read the attached information. We welcome your child and encourage parents to visit us, ask questions, and make suggestions. The best assurance for the success of your child's preschool experience is the close cooperation and understanding of parents and teachers.

If you have any questions about our program, please feel free to contact me at 745-3744.

Sincerely,

Stacie Yaunsem
