

We are Seeking Companies to Run Thanksgiving Food Drives

This year United Way is seeking companies and individuals interested in running food drives for Thanksgiving. There are many families in this community who are not fortunate enough to have a Thanksgiving meal and we need YOUR help!

United Way will be working with three local charities (Montgomery County Emergency Assistance Program, Radford-Fairlawn Daily Bread and Floyd County Emergency Assistance Program) the entire month of **October** to collect Thanksgiving food for those in need. All contributions stay local and will meet the needs of local families. Distribution of the boxes will begin in November by the three charities listed above.

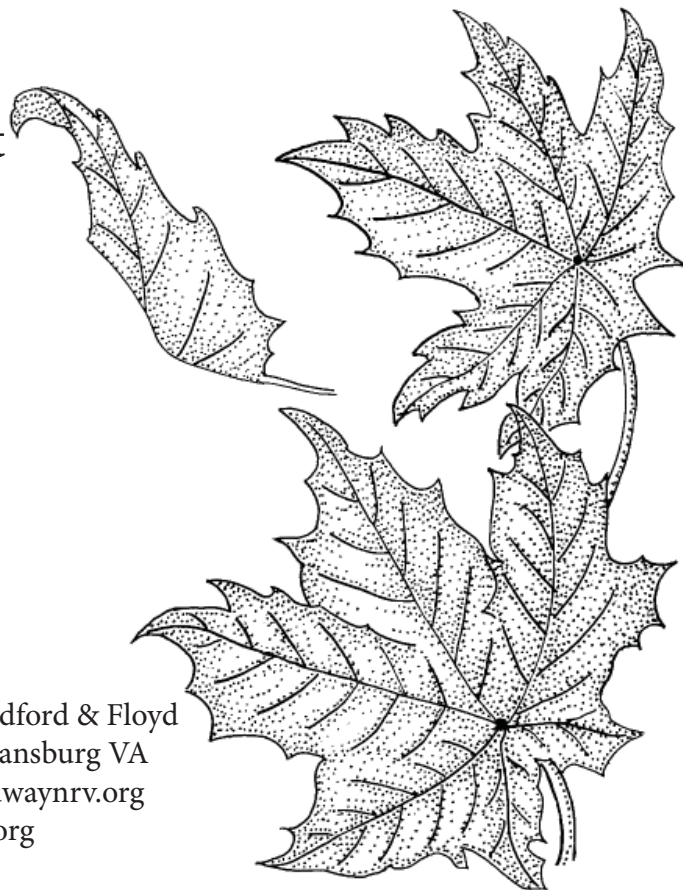

If you are interested in running a Thanksgiving food drive, please contact our office at info@unitedwaynr.org or (540) 381-2066.

A food needs list is available upon request.
